Join the Campaign for a Future Without Hunger

Thanks to early supporters, construction has started on our new building but we **MUST** raise the remaining funds of our \$2.2M goal to outfit our new community food pantry and open our doors to individuals and families who are at risk of hunger and need our support. Please help bring us home by donating a one-time gift or pledging a gift over 2 years for an even bigger impact. Thank you!

CAPITAL CAMPAIGN

DAMIEN'S PLACE FOOD PANTRY (DAMIEN'S) is building a larger, more efficient, dignified, and greener food pantry for individuals, children, and families at risk of hunger. We are so close to achieving what was only a dream for so long – finding a forever home for Damien's and becoming a true community pantry in the fight against hunger and food insecurity for thousands in our area.

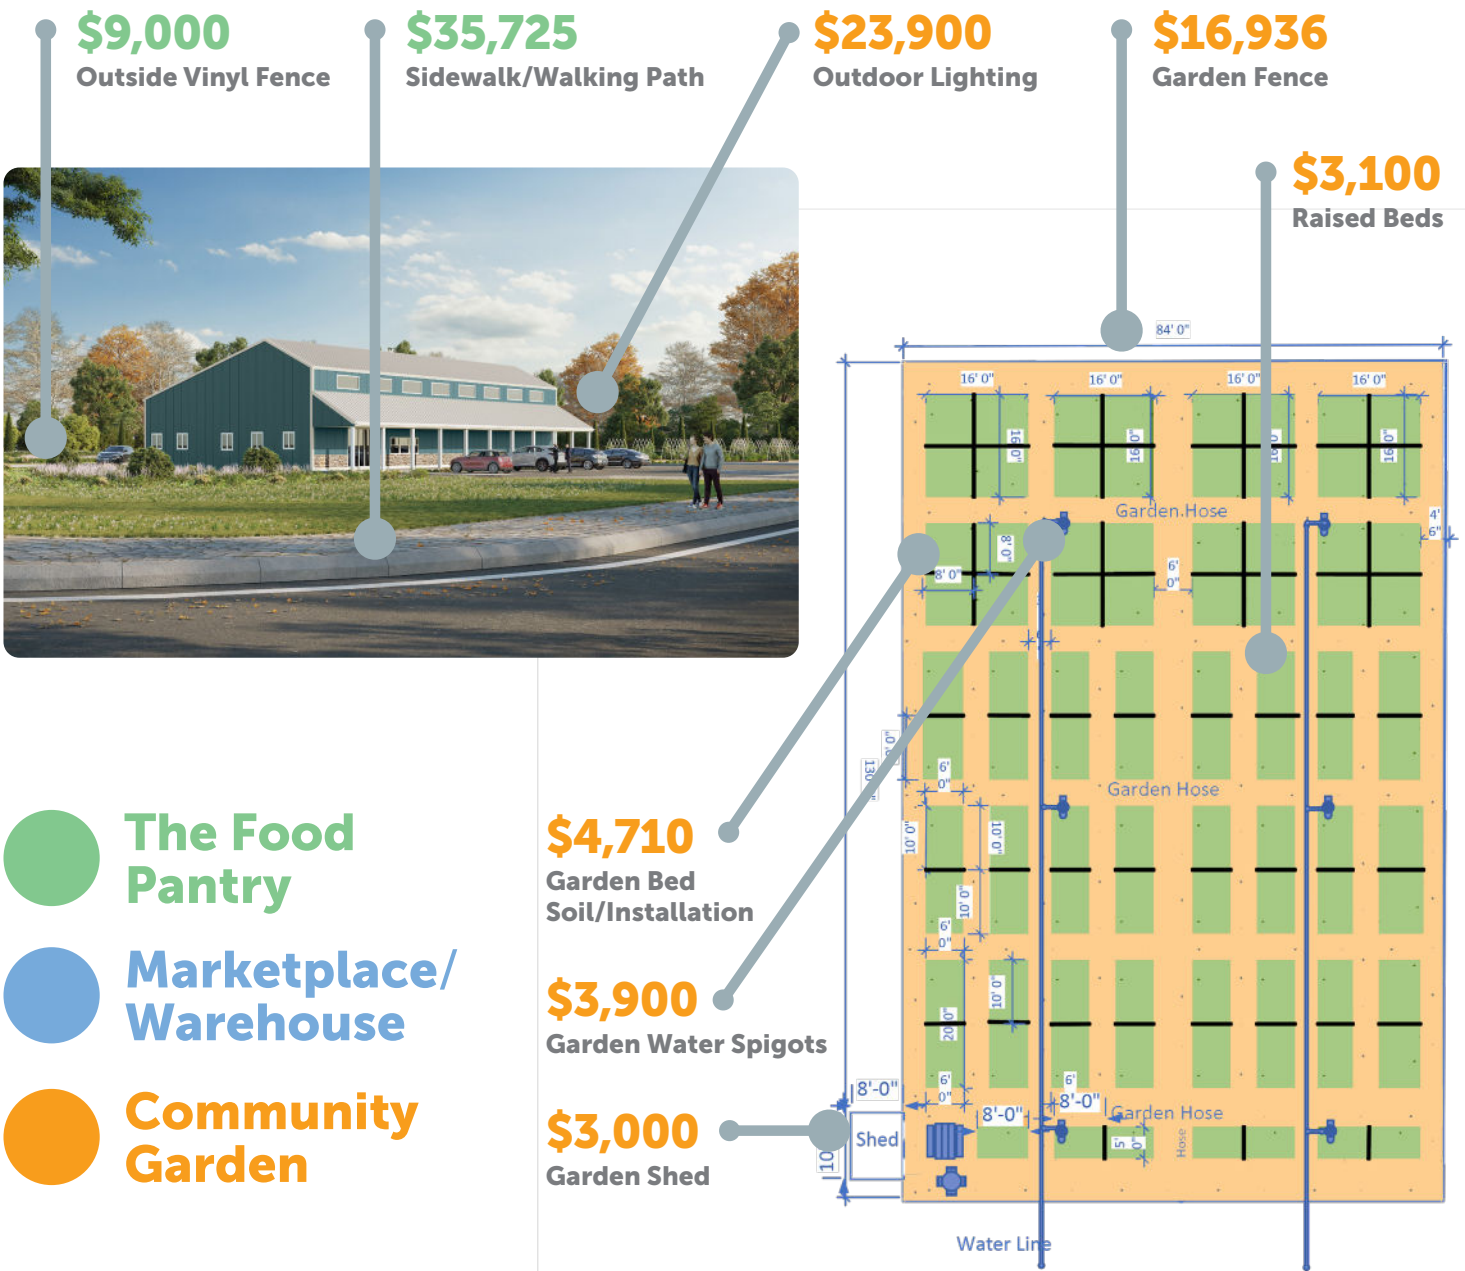

The Need

Our existing location has many challenges, the most urgent being located on active train tracks. Others include:

- **Limited refrigeration and storage space to offer fresh, un-processed food.**
- **No room to offer food-choice, giving families the opportunity to choose their own food.**
- **Guests are unprotected during inclement weather.**
- **Insufficient private counseling space**

Our new facility will more than double our existing space, offer community gardens to grow fresh vegetable and herbs and increase our ability to provide food equity, giving guests the dignity they deserve.

So far, **OVER \$1,840,000 HAS BEEN RAISED** which has allowed us to begin construction on Marion Road, Wareham. But, we must raise the **REMAINING \$360,000** to purchase supplies and equipment for the **Pantry**, **Marketplace** and new **Community Gardens** before we can open our doors. **PLEASE HELP US** by making a tax deductible donation **TODAY**.

Your Help

Thank you in advance for considering our request. Donations can be made to our "Building Today, Feeding Tomorrow" campaign by making a one-time gift or pledging a gift over 2 years for an even bigger impact. Your support helps provide one of the most basic needs – food – to the most vulnerable in our community – seniors, the disabled, children, the working poor, and sometimes even your neighbor. For these individuals and families, hope is sometimes provided in a carriage full of groceries.
